SUMMARY

A highly motivated and dedicated fresher Java Developer with a strong foundation in **Core Java, JDBC, JSP, Servlet, HTML, CSS, JavaScript, C language,** and basic **React knowledge and Spring Core.** Eager to leverage my skills in a dynamic development environment, continuously learn new technologies, and contribute effectively to impactful projects.

EDUCATION

B.E- Information Technology
Priyadarshini College of Engineering Nagpur, Maharashtra | 6.69 CGPA | 2020-2023
Diploma- Information Technology
Government Polytechnic Yavatmal, Maharashtra | 81% | 2016 - 2020
SSC
Rajarshri Shahu Vidyalaya Pandharkawada, Yavatmal, Maharashtra | 69.84% | 2015-2016

SKILLS

Programming Languages: Java, C
Web Development: HTML, CSS, JavaScript, React.js
Java Technologies: JDBC, Servlet, JSP, Spring Core
Database: Oracle
Tools: VS Code, Eclipse IDE, IntelliJ IDEA, GitHub
Soft Skills: Teamwork, Time Management, Problem-Solving, Quick Learner
Languages: Hindi, English, Marathi

PROJECTS

Social Media Login Application

- Developed a secure and user-friendly social media login application using **React.js** and **Firebase**. The application supports authentication through multiple platforms, including email and password, Facebook, Google, GitHub, and Twitter. Implemented Firebase Authentication to manage user sessions, ensuring a seamless login experience across various social media channels.

Online Blood Bank Management System

- Online blood bank management system using **Core Java**. The project is about providing the information of donors to needy person in that situation when their blood is not available, This application provides functions like Register Donor, Add Blood Donation, Request Blood, Display Donors, Displaying Blood Stock.

Book Store Management System

- Developed a web-based bookstore management application using **Servlets** and **JSP**. Features include user and admin authentication, user registration, and book management capabilities for admins (add, view, update, delete books). Users can browse and purchase books, with session management for login/logout. Implemented with a focus on user experience and efficient book handling.

Achievements

- 1st Prize in poster competition at Government Residential Women's Polytechnic, Yavatmal
- Got many Prizes in dance competition.
- Participated in paper publication on Ambient Intelligence.
- Participated in National Level Project Competition on United Listings.
- Participated in Technovanza competition (Institute Level), January 2023.
